

Connecting to Eduroam using CAT

Windows 10 Instructions

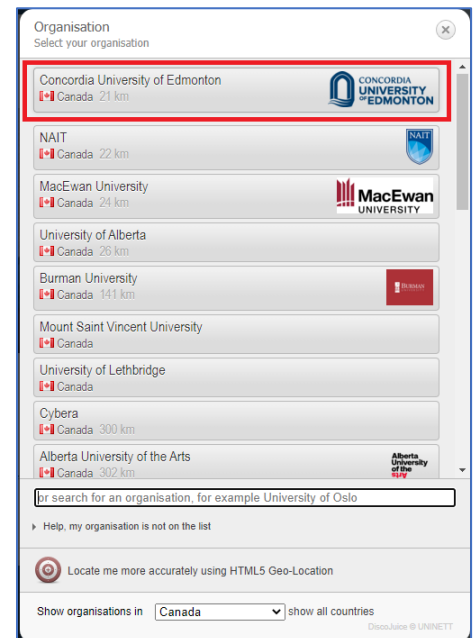

Configuration Assistant Tool

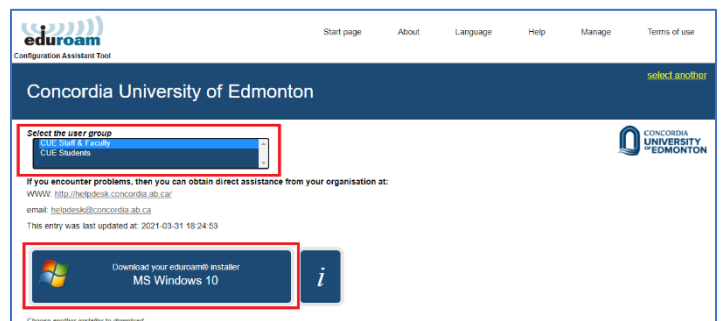

1. On your Windows 10 device, open Chrome and navigate to <https://cat.eduroam.org/>
2. Click the button to download the installer.

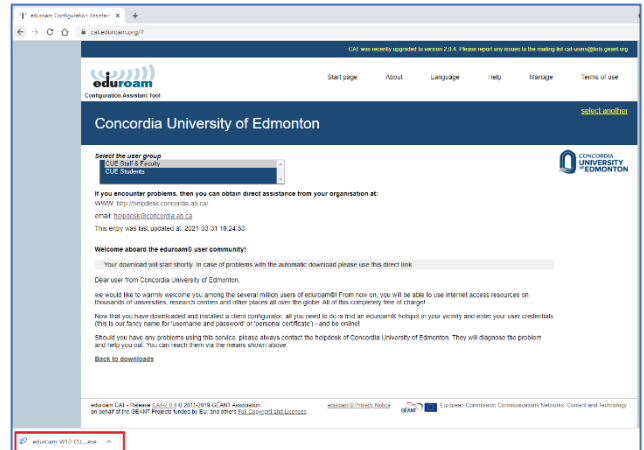

3. Select **Concordia University of Edmonton** as your organization.

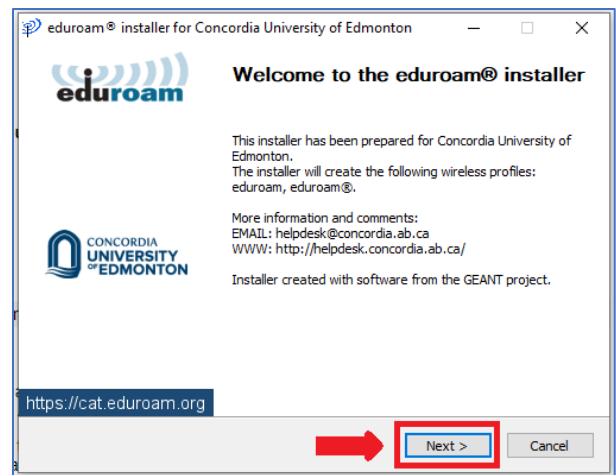

4. Select **CUE Staff & Faculty** or **CUE Students** as your user group.
5. Click on the **MS Windows 10** button to start the download process.

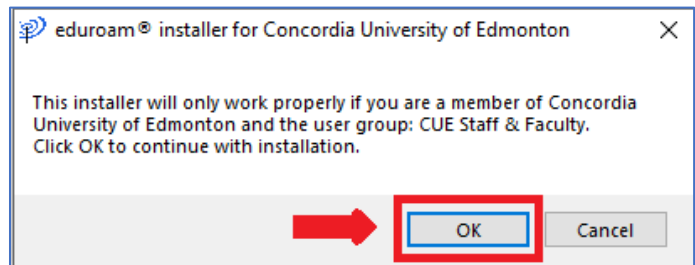

6. Double click on the downloaded installer file (bottom left corner of your Chrome window)

7. Click **Next**.

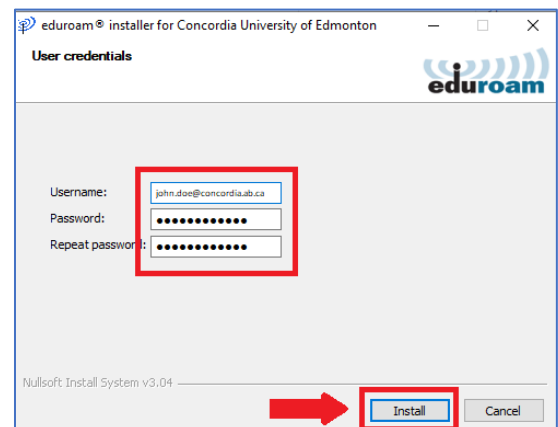

8. Click **OK**.

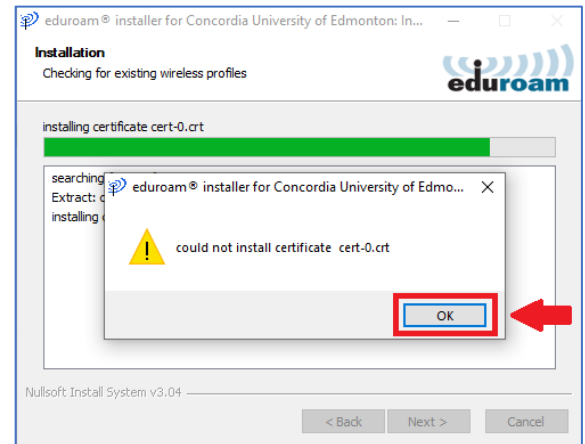

9. On the **User credentials** screen, enter your **Concordia email address**, your **password** and **repeat your password** in the following format and click **Install**.

For Students: `jdoe@student.concordia.ab.ca`

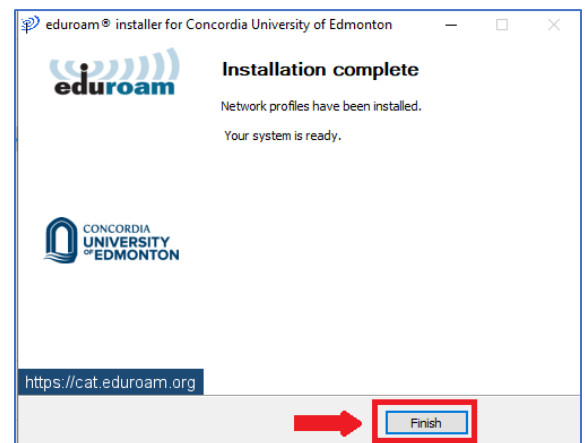

For Faculty/Staff: `john.doe@concordia.ab.ca`

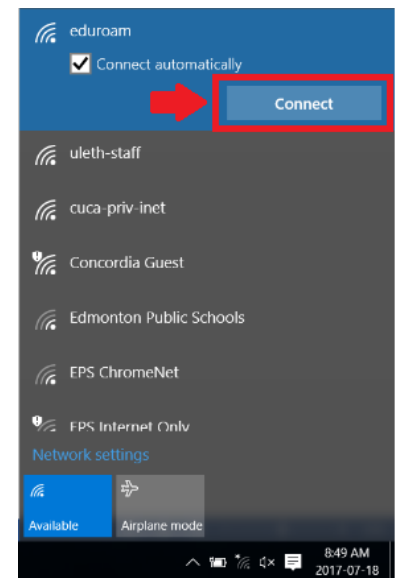

10. During installation, you may see the following screen. Just click **OK**.

11. Installation has been completed. Click **Finish**.

12. Click on the **Wi-Fi icon** and select **eduroam**. Click **Connect**.

You are now connected to eduroam. Please see the FAQs for more information. If you encounter problems, please contact HELPDESK@concordia.ab.ca
