

Using Podium Equipment

Digital Learning Rooms

Information Technology Services maintains and supports 35 Digital Learning Rooms. These rooms allow faculty to incorporate multimedia material such as PowerPoint or Video into their lectures. All rooms are equipped with a Computer, Speakers, and an LCD Projector.

Training for use of the equipment can be arranged if required. If there are any problems with the equipment, they can be reported by contacting the Help Desk at helpdesk@concordia.ab.ca, or by phone at 780.479.9316.
