

# How do I get an account?

## **Students**

Network accounts are created automatically based on your admission and registration status at Concordia. You will receive an email communication when your accounts are created.

## **Staff and Faculty**

New network account information is provided to Information Technology Services by the Human Resources Department. Once your account has been created, you will be contacted by Information Technology Services. If you have not received information regarding your account, please contact the Human Resources department at 780.479.9214.
