

How do I book a lab or room with A/V equipment?

If you require time in a computer lab or a room equipped with audio-visual equipment, please contact Conference Services by email at conference.services@concordia.ab.ca, or at 780.479.9208 (ext. 208 on campus).

If you require to book L111 or L281, please use the [Library's online room booking](#) calendar.
